The cretan labyrinth consists of two paths that cross and wind around each other. We see this a symbolic representation of the relationship between a formator and a formandi. The crossing signifies the cross of Christ who is the model formator and the one in whom our purpose is found, as we continue our pilgrim way; embracing our truth and striving for the fullness of life.

Formation for Formators Programme

What?

The SJTI Formation for Formators Programme is dedicated to preparing men and women for the ministry of formation by offering a comprehensive, spiritual, collaborative and experiential approach to formation ministry.

The full cycle of the formation programme will take six 3-week sessions of short courses over three years, in January and July of each year. Each session will follow 3-5 themes or aspects related to formation.

This is a non-accredited programme. Each module is offered as a short course designed to meet the needs of formation in our contemporary context and the needs of participants already in full-time ministry.

Who?

This program is designed to fulfil a need to offer a comprehensive training program for those serving or going to serve in formation ministry in religious communities and diocesan seminaries. It is also suitable as a renewal and ongoing formation programme.

How?

By living, worshipping, and studying together, participants are able to model and live what would be ideal in communities of formation. Through this experiential process, participants have the time for lasting integration. At the end of the program, participants will not only have the knowledge, skills, and tools they will need, but they will also have the awareness and confidence to carry out the formation ministry.

Where?

St Joseph's Theological Institute, Cedara. The campus is set in tranquil surroundings in the KZN midlands, 20km from Pietermaritzburg and 10km from Howick.

Residence is available.
